Domine. Seculoz.

Domine probasti me et cog
nouisti me: tu cognouisti
sessionē meam et resurrec
tionē meā. Intellexisti cogi
tationes meas de longe: semitā
meā et funiculū meū inuestigas
ti. Et ōnes vias meas preuidis
ti: quia nō est sermo in lingua
mea. Ecce dñe tu cognouisti
ōnia nouissima et ātiqua: tu for
masti me et posuisti super me
manū tuā. Mirabilis facta est
sciencia tua ex me: cōfortata est
et nō potero ad eā. Quo ibo

ma mea in verbo eius: speravit anima mea in dño. A custodia matutina usqꝫ ad noctē: speret israel in domino. Quia apud dñm misericordia: et copiosa apud eū redēptio. Et ipse redimet israel: ex ōnibus iniquitatibus eius. Gloria patri. Ā.

De profundis clamavi

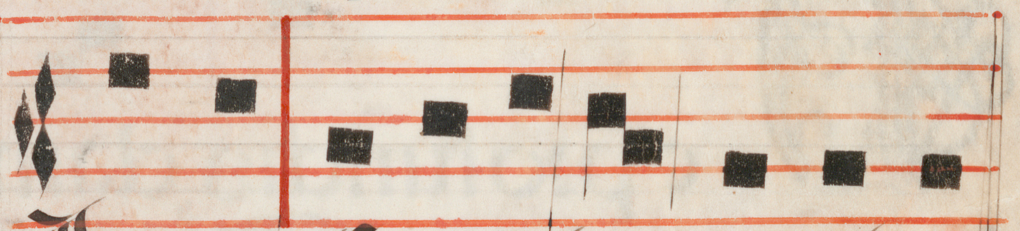

ad te domine. Speret.

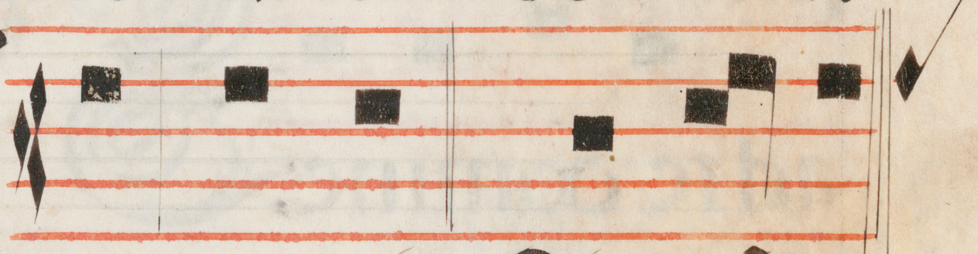

Domine. Seculorum.

Dñe: non est: exaltatū cor meū: neqꝫ elati sūt
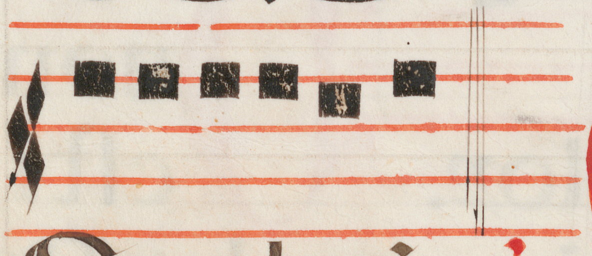

oculi mei. Neq3 ambulaui in
magnis: neq3 in mirabilibus
super me. Si non humiliter
senciebā: sed exaltaui animam
meā. Sicut ablactatꝰ ē super
matre sua: ita retributio in
anima mea. Speret israel in
dño: ex hoc nūc et vsq3 in secu
lum. Gloria patri et filio. ā.

Speret israel in domino.

Et omnis. Memēto.
